Moderator: Gerild Pjetri Recorder: Elisa Daka

Other Members Present: Denada Bufi
Arbi Elezi

Members Absent: **Albi Nikehasani**

Topics Discussed:

First topic that we discussed was about software that we will use related to diagrams.

Another discussion was about two sub tasks regarding sketches and functional requirements, also a sub task on building a user experience in Adobe XD .

The last topic that discussed was how to build the structure of client and back end sides.

Decisions Made:

- 1) We will use draw.io software to build our diagrams.
- 2) Related to major task we decided to build the structure by applying Domain Driven Design technique.
- 3) We will use Adobe XD to design user interface experience.
